

ICSS in Russia

ICSS has had a presence in Russia since 1998. It is represented by a team within T-Systems CIS. We would like to welcome our potential customers and provide all relevant information on our products and solutions:

Based on Deutsche Telekom's international network, ICSS offers a wide range of solutions across the categories "Global Voice", "Mobile World", "IP & Transport" and "New Media".
For more information on our product portfolio, please see the "[Our Offering](#)" section.

Please feel free to contact the ICSS Russia team:
