

International Telecoms Week (ITW) 2010

May 24, 2010

May 24, 2010 - May 26, 2010 in Washington D.C., USA

International Telecoms Week (ITW) is the meeting point for the international telecoms wholesale community - each year over 3,500 delegates from nearly 1,000 companies and from over 130 countries meet in Washington D.C. to buy and sell both voice and data products and services. ITW attracts the entire industry with participants from all areas of the wholesale industry Tier 1, 2 and 3 carriers, mobile/wireless operators, ISPs, VoIP providers, voice, data, satellite, sub sea and fixed-line markets.

ICSS activities

Deutsche Telekom ICSS is one of the Prime Sponsors of the ITW 2010.
